## **The Application Process/Where to apply**

### **Where to get the application**

PTECH applications can be downloaded in the school website, school counselor, PTECH Director or Cigarroa H.S. front office.

### **Who Can Attend PTECH?**

All Laredo Independent School District students are eligible to attend PTECH. PTECH provides opportunities for all students interested in going to college or straight into the workforce after graduation.

### **Eligibility Requirements and Criteria**

Enrollment decisions are **not** based on state assessment scores, discipline history, teacher recommendation, parent or student essays, minimum grade point average (GPA), or other criteria that create barriers for student enrollment. **PTECH is open enrollment for all students.**

### **Student Selection Process**

Students who meet the criteria will be admitted into a lottery pool. Lottery selections from the qualified applications are at random. Students included in the lottery pool, but not initially selected, will remain in the pool and be used to fill additional spots as openings occur.
